Re: Insurance Consulting Services

Dear Barry:

As in the past, you dealt with our current crises as you always do in a efficient and effortless manner.

I was pondering this morning and I realized that we have been doing business with your company for over 10 years. In all my years experience in dealing with other companies, I have yet to come across a company that is as efficient, courteous and accommodating as ICA has been in handling our Risk Management Program.

I felt an obligation to write to you and share my thoughts with you. On that note, I do hope that we will have many more successful years of business with your company directing all our insurance matters.

Sincerely,

Stanley Aaron
